MTTPOKER will retain your data as part of our performance of a contract for a period of 10 years. During this time we will send you information regarding, but not limited to, MTTPOKER events and promotions. This will be stored in physical files, on our server and on our CRM database. After the retention period these files will be deleted/shredded as appropriate. We may keep some anonymised data for statistics/reporting in line with GDPR regulations. If you consent to MTTPOKER processing your data as described then please sign & date below. Should you wish to withdraw consent at a later date you can make contact with Data Protection Officer on 07714265262. Should you wish to complain about how we have processed your data at any time you should do so to the Information Commissioner's Office.
